Imyumvire—webster yabonye ko imeze nk’ igicumbi cy’ intekerezo zi umuntu cyangwa se aho imyifatire y’ umuntu ishingiyeye bitewe ni imyumvire. Akenshi tubwirwa kugira imyumvire igana ku byiza. Imyumvire ni igice ubarizwamo, haba cyiza cyangwa ikibi, bityo rero iyo duhuye ni umuntu, biroroha kumenya igicumbi cy’ imyumvire afite. Imvugo tubonye haruguru ivuga, ngo hahirwa ab’imitima iboneye,” haravugaga ngo hahirwa, cyangwa hanezerwa, abantu bari mu murongo mwiza w’ibitekerezo—byumvikana, bitunganye kandi byiza. Amaherezo yabyo ni uko—bazabona imana. Ariko se ni gute twashobora kugira imyumvire myiza ni gicumbi cy’imyumvire ikwiye?

Icyamba mbere, ni uko tugomba kuganga intekerezo zacu. Tugomba kubutoza kandi tukabugaburira indyo ifite intungamubiri ku bwenge. Tugomba kubwubakamo imyemerere yibyo twifuzaga kuba. Ubwenge bumeze nk’imitsi, bushobora kubakwa binyuza mu myitoto. Bushobora gutozwa no gushyirwa no ku murongo bikurikije ugushaka kwacu.

Icyamba kabiri, tugomba guhitamo ubuzima bwacu bw’ejo hazaza; bivuze ngo, tugomba guhitamo kuba ikintu, tuvuge nk’ icyiza, n’ibyishimo ndetse umuntu wageze ku bisuzo. Ubwenge bwacu ntibushobora kugana icyiza budafite umuyoboro bugenderaho, ahubwo buzahugira ku bindi; nitutabuha umurongo bugenderaho, buzayoboka ahandi bwisanzura nta nzitizi. Kugira ngo wishime, hari ibigomba kuba. Kugira ngo ugere ku bisubizo, dukeneye intego. Kandi kugira ngo tuyoboze neza, tugomba kugira intumbero kuri “ndashoboye” kandi “nzashobora,” mu gihe turi mu rugamba rwo kwegera imibereho yacu yahazaza.

Icyamba gatatu, tugomba kureba kure yaho turi ubu none. Kuko aho tuzagenda mu

nzira dushakisha ibyishimo cyangwa ibisubizo, tuzahura n’ibihe bitandukanye. Kuri buri tugezemo, tugomba kureba ahazaza kuri buri ntabwo dutera igana ku ntego twihaye. Ibi bitanga ibyiringiro, maze ibyiringiro bikadutiza umurindi n’ubushake bwo kwikura muri ibyo bihe. Mu gihe dufite ibitekerezo by’urucan-tege, tugomba kurushaho gutumbera intego zacu hamwe n’imbuto zizavamo.

Icyamba kane, tugomba kugira umusingi ukwiye. Habaho kwemera, ariko kandi hakabo no kugira uburenganzira bwo kwemera. Mu gihe wicuzaga ugomba kuvugisha ukuri kugira ngo ugere ku bisubizo bizima. Kuba warahisemo kute-mera ko imbaraga z’ubugenge ntabwo bivuze ko izo rukuruzi z’isi ntizigikora. Kuri buri ntego rero hagomba kuba impamvu ziboneye; kuri buri nzozi, hagomba kuba intego nyayo; kandi kugera ku bisuzo bisaba kugira amahame akwiriye. Ibisubizo usanga akenshi bikikijwe n’ibibazo. Kugira ngo dukemure ibibazo dusabwa gushira amanga no guhozaho. Aha rero, usanga igihe cyose twiga kugira ngo tugere kuri ya zahabu. Amaherezo ni uko ibyo tuhigira usanga bifite agaciro kurenza ya zahabu ubwayo. Nkuko uwiteka abivugaga, “Hahirwa abafite (cg abanyamunezero) ni abafite imitima iboneye (ubwenge buzima).” Bazabona Imana, cg babone umudali. Kandi hazishima abafite ibitekerezo bizima, kuko bazabona Imana cg bab-

one ukuboko kw’imana muri buri kibazo bagezemo. Ni tumara kugira imyumvire imeze itya, imyumvira yacu izaba myiza kuko ntacyo tuba twikanga ibibazo, kuko tuzi imbaraga ibirenze. Ni nko gushakisha imari itabye, uhora ureba hakurya. Ndetse kandi dushobora kugira icyizere kirenze, ntugire icyo twikanga maze ugasanga twataye umurongo kuko tuba twirengagije ibiriho.

Imyumvire myiza iduha ahazaza heza. Imyumvire mibi ituzitira mu buzima bwa none, kandi tudatera imbere bigaragara. Byombi kandi usanga bidutera umuruho. Abantu bi myumvire mibi bagira guhangayika ndetse n’ubwoba, naho abantu b’imyumvire myiza bahatiriza kugera ku bisubizo. Hahirwa abafite umutima uboneye kuko abo nibo bazabona Imana muri byose kandi bambikwe impeta y’ihirwe n’umwami.

amahirwe menshi kandi uzagira imbaraga n’intumbero yo kugera ku ntego zawe.
